MINISTRY OF TRANSPORT AND SHIPPING

(Transport Wing)

PORTS

New Delhi, the 24th June, 1967.

G.S.R. 980.—In exercise of the powers conferred by sub-section (1) of section 6 of the Indian Ports Act, 1908 (15 of 1908), the Central Government hereby makes the following Harbour Craft Rules for the port of Paradip, the same having been previously published as required by sub-section (2) of the said section 6, namely:—

1. **Short title and application.**—(1) These rules may be called the Paradip Port Harbour Craft Rules, 1967.

(2) They shall apply to the port of Paradip.

2. **Definitions.**—In these rules, unless the context otherwise requires:

- (a) "Deputy Conservator" means the Deputy Conservator, Paradip port;
- (b) "Form" means a form appended to these rules;
- (c) "harbour craft" means any catamaran plying for hire or any flat or cargo, passenger or other boat plying whether for hire or not and whether power driven or not and whether plying regularly or only occasionally, or partly within and partly without the port;
- (d) "Inner Harbour" means that part of the port which lies North, North-East and North-West of Co-ordinate + 2 and includes the Turning Basin, Ore Berth Arm and any future Arm Dredged and developed from time to time;
- (e) "licensed harbour craft" means any harbour craft licensed under these rules;
- (f) "motor boat" means any power-driven harbour craft propelled wholly or in part by any form of electrical or mechanical power other than steam;
- (g) "Outer Harbour" means that part of the Approach and Entrance Channels which lies between Co-ordinate + 2 and Co-ordinate -40;
- (h) "owner" used in relation to a harbour craft includes any part owner, agent or mortgagee in possession thereof;
- (i) "port" means the port of Paradip;
- (j) "roads" means that part of the port which lies to seaward of the line drawn across the Approach channel at Co-ordinate -1200;
- (k) "servant" used in relation to owner includes the tindal or any boat-man;
- (l) "steam-boat" means any harbour craft propelled wholly or in part by steam power;
- (m) "tindal" includes any person in charge of a harbour craft.

3. **Harbour craft to be licensed.**—No person shall, whether as owner, tindal or servant use any harbour craft to carry goods, or passengers, to or from, any vessel at the port or from place to place within the port unless the harbour craft has been duly licensed under these rules. A harbour craft incensed to ply between ship and shore may also apply from place to place within the port without a separate licence:

Provided that nothing in this rule shall apply to—

- (a) any boat forming part of equipment of ship or a steamer;
- (b) any harbour craft maintained solely for purposes of pleasure;
- (c) any boat belonging to the port:

Provided further that the Deputy Conservator may, if he thinks fit, require any boat or harbour craft referred to in clause (a) or clause (b) to be licensed under these rules.

4. Licensing of harbour craft.—(1) Every application for the licensing of a harbour craft under rule 3 shall be made to the Deputy Conservator in writing and shall contain the following particulars, namely:—

- (a) the owner's name and address in full and if the owner is a minor, it shall contain the name and address of his guardian;
- (b) the name and address of the agent, if any, duly authorised by the owner to act on his behalf;
- (c) the name of the tindal whom the owner proposes to place in charge of the harbour craft; and
- (d) the nature of the licence required, that is to say whether it is required, for a passenger boat or for a cargo boat, or for any other purpose;
- (e) the details of the harbour craft in respect of its measurements, gross tonnage and other relevant particulars.

(2) On receiving an application for licence under sub-rule (1), the Deputy Conservator shall survey and measure the harbour craft, or cause it to be surveyed and measured in the presence of the owner or any person duly appointed for the purpose by such owner, and grant a licence in Form A on payment of the fees specified in rule 28 and on being satisfied that the harbour craft is seaworthy and fit for service at the port, or upon the production of a certificate in writing from the officer who surveyed the harbour craft certifying:—

- (a) that such harbour craft is seaworthy, properly equipped and suited for the purpose for which the licence is required;
- (b) the number of passengers that such harbour craft is capable of carrying under all conditions;
- (c) the number of crew required for the safe navigation of such harbour craft;
- (d) that the equipment of such harbour craft is in good order and condition.

(3) For purpose of the survey and measurement specified in sub-rule (2), the owner shall cause the harbour craft to be brought to such place as the Deputy Conservator may appoint.

(4) Subject to the provisions of these rules, all licences in Form A shall be issued for the financial year ending on the 31st March.

5. Minor or female owners.—If the owner of a harbour craft is a minor, the licence may be obtained by the guardian of the minor. If the owner is a woman, who according to the customs of the country does not appear in public, the licence may be obtained on her behalf by her duly authorised agent. In such cases the guardian or the agent as the case may be shall be deemed to be the owner for the purposes of these rules.

6. Licence, rules, etc., to be produced when demanded.—(1) The licence of every harbour craft shall be kept in the possession of the tindal who shall produce the licence whenever called upon to do so by the Deputy Conservator or by any person duly authorised by the Deputy Conservator in that behalf.

(2) A copy of these rules and of any written directions issued by the Deputy Conservator in respect of their implementation shall also be furnished by the owner to the tindal who shall, on demand, show them to any hirer or consignor of, or passenger in such harbour craft. The owner shall be responsible for ensuring that the tindal understands the provisions of these rules and directions and for obtaining a declaration from him to that effect and producing the same whenever required by the Deputy Conservator.

7. Distinctive numbering of licensed harbour craft.—(1) The owner of a licensed harbour craft shall paint or cause to be painted upon a black back-

ground, in white or upon a light back-ground in black English and Hindi figures not less than six inches in length, on a conspicuous part of the bow of such harbour craft on one side, and on the quarter of the other, the number of the harbour craft as mentioned in the licence.

(2) No person shall paint or cause to be painted upon any harbour craft not duly licensed under rule 4, any such number as aforesaid or any other mark likely to induce the belief that such harbour craft has been so licensed.

8. Change of ownership or control of licensed harbour craft.—When the holder of a licence in Form A transfers the ownership of the harbour craft to another person, the licence shall cease to be valid on the expiry of six days from the date of such transfer. Where such holder mortgages the harbour craft to, or places it under the control of another person, the licence shall cease to be valid on the expiry of six days from the date of such mortgage or placing unless an endorsement on the licence is made by the Deputy Conservator to the effect that notwithstanding such transfer or placing, the licence shall continue to be valid.

9. Changes in crew or carrying capacity of licensed harbour craft to be reported.—(a) Whenever any alteration in a licensed harbour craft is made so as to affect any of the particulars contained in the licence granted to it, such alteration shall forthwith be reported by its owner to the Deputy Conservator; Provided that, if such alteration takes place at a time when the harbour craft is away from the port, it may be reported immediately on the return of the harbour craft to the port.

(b) In the case of a change of tindal or of any alteration in the harbour craft not affecting its carrying capacity the harbour craft shall not ply until such report is made, and in the case of change of tindal until the tindal had also been produced before the Deputy Conservator. On such report or on such report and production, as the case may be, the Deputy Conservator shall amend the original licence held by the owner and in the case of change of tindal, the register kept under rule 10 shall also be amended.

(c) In the case of any alteration in the harbour craft affecting its carrying capacity, the original licence held by the owner shall be cancelled and a fresh licence shall be issued by the Deputy Conservator after the harbour craft has been remeasured, and it shall not ply until such fresh licence has been issued.

10. Registration of tindals.—(1) At the time of licensing of any harbour craft under rule 4, the name of its tindal as entered in the licence and other particulars relating to him shall be entered in a register which shall be kept by the Deputy Conservator in Form B.

(2) Every year in the month of March on a date to be fixed by the Deputy Conservator the owner of every licensed harbour craft shall produce before the Deputy Conservator the tindal of the harbour craft for verifying the correctness of the entries in the register.

Provided that if such harbour craft is away from the port on the date so fixed, the owner shall produce the tindal within 24 hours after its return.

(3) No person shall be employed or registered as a tindal of a licensed harbour craft if he—

(a) is not a certificated officer qualified to be the master or engineer of such harbour craft in accordance with rule 29;

(b) is in the opinion of the Deputy Conservator unaccustomed to the use of such harbour craft or otherwise inefficient.

11. Annual and special inspection of licensed harbour craft and crew.—On or before the expiry of the licence, the owner of every licensed harbour craft shall produce it together with its licence for inspection to the Deputy Conservator at such place as he may appoint for the purpose. In addition to such inspection, special or partial inspections may be held by the Deputy Conservator or by any person duly authorised by him at such times as the Deputy Conservator may consider necessary. At all inspections under this rule, each harbour craft shall have its full complement of crew and equipment.

12. Repairs of licensed harbour craft ordered for inspection.—(1) The owner of every licensed harbour craft shall execute such repairs thereto as the inspecting officer referred to in rule 11 may direct in order to render it efficient, and no owner or any of his persons shall use any such harbour craft or cause or permit it to be used until such repairs have been duly executed and the Deputy Conservator has granted permission for its use. For the purpose of such repairs, the owner shall cause the harbour craft to be hauled up only to such place or places on the foreshore as the Deputy Conservator may from time to time direct.

(2) All major repairs to the boiler, machinery or hull of a licensed harbour craft shall be carried out under the supervision of an Engineer and Ship Surveyor, appointed by the Deputy Conservator. The Master or the owner of such craft shall before the commencement of the repairs, pay to the Deputy Conservator a sum sufficient to cover the fees and other expenses of such Engineer and Ship Surveyor.

Explanation.—For the purpose of this sub-rule, the decision of the Deputy Conservator as to whether a particular work should be regarded as a major repair or not shall be final.

(3) The fees referred to in sub-rule (2) shall be calculated on the following scale, namely:—

	Rupees.
(i) For every vessel the gross tonnage of which does not exceed 25 tons	60
(ii) For every vessel the gross tonnage of which exceeds 25 tons and does not exceed 50 tons	75
(iii) For every vessel the gross tonnage of which exceeds 50 tons but does not exceed 75 tons	90
(iv) For every vessel the gross tonnage of which exceeds 75 tons but does not exceed 100 tons	105
(v) For every vessel the gross tonnage of which exceeds 100 tons but does not exceed 300 tons	120
(vi) For every vessel the gross tonnage of which exceeds 300 tons but does not exceed 600 tons	135
(vii) For every vessel the gross tonnage of which exceeds 600 tons but does not exceed 900 tons	150
(viii) For every vessel the gross tonnage of which exceeds 900 tons but does not exceed 1,200 tons	180
(ix) For every vessel the gross tonnage of which exceeds 1,200 tons	180

Plus Rs. 30 for
every 300 tons
or part thereof,
in excess of
1,200 tons.

(4) The expenses referred to in sub-rule (2) shall be determined in accordance with the general or specific instructions of the Central Government in this behalf.

13. Control of Working of licensed harbour craft.—(1) The owner shall provide every licensed harbour craft with such crew and equipment as may be determined by the Deputy Conservator and entered in the licence. The tidal of the harbour craft shall not have on board more or less than the number of the crew specified in the licence for fine or rough weather according as the harbour craft plies in fine or rough weather and shall not carry passengers or goods in excess of the number or quantity entered in the licence for the harbour craft.

(2) Every licensed harbour craft plying within the port shall carry such number of life-buoys as may be considered reasonable by the Deputy Conservator and of a type approved by him. Every such harbour craft shall carry in addition,

such buoyant apparatus as may be considered necessary by the Deputy Conservator. All such buoys and buoyant apparatus carried in the harbour craft shall be stowed to the satisfaction of the Deputy Conservator so as to be readily accessible to the persons on board.

(3) Every harbour craft licensed for the carriage of passengers shall be so fitted that sufficient sitting space is available for each passenger and awnings and side weather screen shall also be provided, where necessary, to give protection to passengers from sun and weather respectively.

(4) The Deputy Conservator shall exercise his discretion in fixing the number of crew required in a licensed harbour craft plying within the port and carrying passengers.

(5) Where the owner of a licensed harbour craft does not desire to carry the full complement of passengers, or is not prepared, or considers it impracticable to carry the prescribed life saving appliances, the Deputy Conservator may limit the number of passengers accordingly and endorse the licence to that effect.

14. Obstructing port traffic.—(1) No tindal or any member of the crew serving in any licensed harbour craft shall obstruct or hinder the loading, discharging or service of such harbour craft, or of any other licensed harbour craft, or obstruct or hinder any vessel working in the port.

(2) No tindal shall permit any licensed harbour craft in his charge to obstruct the free navigation of the port or the approaches to wharves or jetties—

15. Compliance with the provisions regarding prevention of collisions at sea—observance of the merchant shipping (Prevention of Collisions at Sea) Regulations, 1965.—All licensed harbour crafts, when under way, shall comply with the provisions at the Merchant Shipping (Prevention of collisions at Sea) Regulations, 1965.

16. Refusal to ply without lawful excuse.—If the owner or the tindal in charge of a licensed harbour craft plying regularly for hire refuses to ply for hire when required to do so, without reasonable excuse, of which the Deputy Conservator shall, subject to the appeal provided in rule 27, be the sole deciding authority, the licence of such harbour craft shall be liable to be revoked.

17. Working of the licensed harbour craft at night and in bad weather.—(a) No licensed harbour craft shall ply in the outer roads—

(i) between the hours of 6 p.m. and 6 a.m. without the previous permission of the Deputy Conservator.

(ii) when a storm warning signal indicating bad weather or high seas is displayed from the port flag-staff.

(b) When the signal referred to in sub-clause (ii) of clause (a) is hoisted at the port flagstaff, all harbour craft plying in the outer roads shall return to the Inner harbour at once and shall not proceed again to the outer roads without the special permission of the Deputy Conservator until the signal is hauled down.

18. Permissible loading of licensed harbour craft in fine and rough weather.—

(1) No person shall load a licensed harbour craft with passengers or with animals or other cargo in contravention of the terms of its licence.

(2) No tindal of any licensed harbour craft shall permit any animal to be loaded in it, unless the harbour craft has been provided with sand ballast on straw sufficient to form a flat floor and unless such other requirements as may be imposed by the Deputy Conservator in respect of the harbour craft, have been complied with.

(3) Where animals are carried in a licensed harbour craft, no other cargo or passenger shall be carried therein.

(4) Passengers and cargo other than animals may be carried at the same time only in a licensed harbour craft propelled by mechanical or electrical power.

19. Power of tindal to prevent overloading.—Whenever the number of passengers or the quantity of cargo in a licensed harbour craft exceeds the number or quantity entered in the licence, the tindal shall, before starting from the

vessel or from the shore, require any passenger to leave the harbour craft or any consignor, consignee, or shipping or landing agent concerned to remove from the harbour craft the whole or any part of the cargo.

20. Attention to certain signals required of tindals.—The owner of every licensed harbour craft shall instruct the tindal of such harbour craft to pay immediate attention to the harbour craft master flag, square blue flag with four parallel red bars running crosswise which will be displayed on the port flag-staff when the Deputy Conservator desires to carry out an inspection under rule 11.

21. Licensed harbour craft not to interfere with mooring or approaching vessels before they anchor.—No person in charge of or navigating any licensed harbour craft shall attempt to make such harbour craft fast to any mooring or mark buoy, or take it alongside of a vessel approaching an anchorage or mooring before such vessel has come to anchor or been moored to a buoy.

22. Fishing boats not to be allowed near a cargo boat or alongside vessel.—
(1) No person in charge of or navigating a licensed cargo boat shall allow a fishing boat to be within ten yards of her when such cargo boat is plying between a vessel and the shore.

(2) No person in charge of or navigating a fishing boat shall allow it to go alongside a vessel while discharging or shipping of cargo is proceeding.

(3) If any licensed harbour craft is found by the Deputy Conservator to have contravened the provisions of sub-rule (1) or (2), the Deputy Conservator may—

(a) cancel the licence issued in respect of the harbour craft;

(b) direct that the tindal at fault shall not be employed in any capacity in any licensed harbour craft and that his name shall be removed from the register of tindals.

(4) If any owner employs such tindal contrary to the directions of the Deputy Conservator, given under clause (b) of sub-rule (3), the Deputy Conservator may cancel all or any of the licences held by the said owner.

23. Landing and shipping of passengers and goods to be within the port.—All passengers and goods shall be landed or shipped in such places within the limits of the port as the Conservator may appoint and no person, shall ship or land passengers or goods outside such places unless the sanction of the port and officers of customs at the port has previously been obtained.

24. Rates of Harbour craft hire.—No owner, tindal or any member of the crew of a licensed harbour craft licensed to carry passengers for hire and no person deputed by the owner of such harbour craft, shall demand from any passenger hire charges exceeding that sanctioned by the Central Government and no owner, tindal or member of the crew of such harbour craft shall demand or accept any gratuity or present from any passenger during the course of its trip between any vessel and the shore or from place to place whether within or without the port.

25. Prohibition of employment of convicted tindals, etc.—If the tindal or any member of the crew of a licensed harbour craft is convicted for a breach of any of the provisions of these rules, the owner of the harbour craft shall, on being required so to do by the Deputy Conservator, dismiss such tindal or member of the crew from his employment.

26. Revocation of licences.—If, in the opinion of the Deputy Conservator, the owner of any licensed harbour craft has contravened any of the provisions of these rules, he may, without prejudice to any other action that may be taken against such owner in respect of the contravention, cancel all or any of the licences held by the owner.

27. Appeal from Deputy Conservator's decision.—An appeal shall lie from any decision of the Deputy Conservator under these rules, to the Conservator of the port. Such appeal shall be preferred in writing within seven days from the date on which the decision of the Deputy Conservator appealed against has been communicated in writing to the party or parties concerned, and the decision of the Conservator thereon shall be final.

28. Fees.—The following fees shall be leviable for survey, licensing, inspection of the harbour crafts.
